The Shawnee Mental Health Center, Inc. (SMHC) is committed to providing equal employment opportunities to all prospective and current employees on the basis of individual qualifications, experience and SMHC need. Discrimination based on race, age, sex, religion, national origin, disability, color, ancestry, military status, sexual orientation, gender identity, genetic information, or other protected class will not be tolerated. Applicable state and federal laws, in addition to rules and regulations governing fair employment practices, will be followed.

All applicants identified for employment with the SMHC will undergo (pre-employment/post-offer) testing for the presence of illegal drugs as a condition of employment. Any employment offer will be contingent upon satisfactory completion of a drug test. Because of requirements imposed by the Ohio Department of Mental Health, certain positions at SMHC require a physical examination following an offer of employment for such positions with annual physicals thereafter. A failure to receive a satisfactory fitness for duty report from the examining physician, may result in withdrawal of the offer of employment, or discharge. You may elect not to apply for these positions and no post offer physical examination will be required and you will be considered for all other available positions for which you qualify without further inquiry.

Submission of this application form does not indicate that there are any position vacancies, nor does it in any way obligate the SMHC. Failure to complete the application in its entirety may be cause for exclusion of employment consideration. Falsification of information on the application may result in exclusion of employment consideration or immediate discharge from employment.
